For questions, call the Fond du Lac Area Foundation at 921-2215.

All qualified applications (see below) will be entered into a Facebook Live drawing that will be held approximately 2 weeks prior to each Fondy 100 Gives Meeting. Three non-profit applications will be drawn randomly. Those drawn will provide a 5-minute presentation and 5-minute question and answer session to Fondy 100 Gives Members. Time limitations are strictly enforced. The membership will then vote for the organization that they feel should receive \$7,500 in funding. Only one organization is funded at each meeting, as determined by the greatest number of votes.

Organizations that have received funding from Fondy 100 Gives in the 3 years preceding the application deadline are not eligible to apply.

Organizations that are chosen to present but not selected for funding are not eligible to apply for one year after their presentation.

Organizations may only have one application submitted for each drawing (may withdraw prior applications to submit new applications).

Applications will be eligible for one year after submission, unless otherwise withdrawn by the non-profit.
